

***El Cine Cubano* Film Series continues with Buena Vista Social Club!**

Sunday, October 20 from 3-5pm

Bozeman Public Library Large Community Room

Join Gallatin Valley Friends of Cuba for a free monthly film series that will explore Cuba's culture, music, ecology, history, people and relationships with the United States and globally. *El Cine Cubano* Film Series will continue at the Bozeman Public Library Community Room on Sunday, October 20, from 3-5 pm, with the screening of The Buena Vista Social Club. A beloved musical and cultural story of the re-discovery of Cuba's classic son and folkloric musical traditions, Buena Vista Social Club also features the Grammy award-winning musicians and is produced by Ry Cooder. Discussion will be led by MSU Faculty Jelani Mahiri and cultural tourism advocate Doug Wales.

Join recent travelers to Cuba who will discuss their experiences and share ways to see Cuba's myths and realities for yourself. Gallatin Valley Friends of Cuba is bringing together Bozeman area people who have or want to travel to Cuba as well as those who are interested in citizen diplomacy projects, people to people connections, possible Sister City and general education and organizing work. Fundamentally, we are all about building bridges between the people of Montana and Cuba. And promoting free exchange of travel and ideas between both the US and Cuba.

El Cine Cubano Film Series programs are free and the public is welcome. Co-sponsored by the Gallatin Valley Friends of Cuba and the US Women and Cuba Collaboration. www.womenandcuba.org
