

VII International Workshop Women in the 21st Century

University of Havana, Cuba
May 18th to 22nd, 2009

Second Call

The Chair of Women Studies of the University of Havana and the National Direction Federation of Cuban Women are happy to announce the VII International Scientific Workshop "Women in the 21st Century" which will take place at the University of Havana from the 18th to 22nd of May, 2009, in Havana, Cuba. It is also co-sponsored by COSUDE, HIVOS, OXFAM, ACSUR, MUNDUBAT, ACPA, and the FELIX VARELA CENTER

Its main purpose is to promote the opportunity to exchange information, to update and assess the academic work on topics concerning Feminism, Gender, Women's Studies and work being done with contemporary women and feminist movements.

Objectives:

- To provide a space for scientific and theoretical reflection on gender dimensions and the most important issues concerning women and feminist theory,
- to promote, among experts of different fields, an interdisciplinary dialogue and exchange of experiences about these themes.
- to disseminate the research findings and experiential knowledge about women, as well as to promote the continuity and exchange in scientific work
- The exchange of experiences on working with women and contemporary women and feminist movements.

Participants:

@ll professionals, experts, and persons interested in these issues.

Program:

The Conference will consist of panels, round table discussions and individual presentations.
