PLANNED LECTURES AND CONVERSATIONS:

Baltimore and DC:

1. Status of Women in Cuba – accomplishments and challenges including addressing the issue of sex work or prostitution (since it is raised by many North American women and media sources)
2. Current issues in Women's Studies and progress in Cuba to integrate a multicultural gender lens into the curriculum of the University of La Habana
3. Themes to compare and contrast with women in US:
 - Reproductive rights, health and justice including Cuba's policies on abortion, family leave, sex education (CENESEX), maternal and infant mortality
 - Images of and by women in the media
 - Impacts of global economic crisis on women and families in Cuba

Indiana:

1. Community Discussion on a number of current issues in Cuba
2. Current issues in Women's Studies and progress in Cuba to integrate a multicultural gender lens into the curriculum of the University of La Habana.
3. Radio Interview on Cuba today.

Edinboro:

1. Status of Women in Cuba – accomplishments and challenges including addressing the issue of sex work or prostitution (since it is raised by many North American women and media sources).
2. Themes to compare and contrast with women in US: Reproductive rights, health and justice including Cuba's policies on abortion, family leave, sex education (CENESEX), maternal and infant mortality.
3. Current issues in Women's Studies and progress in Cuba to integrate a multicultural gender lens into the curriculum of the University of La Habana.
4. Community gathering event on Cuba today.

WVU:

1. Women's History Month- Women's Studies Talks and presentations from the Cuban perspectives.
